

SISTER ADOLFA GALLO

(6/24/03 - 1/19/69)

In the year 1969, in All Souls Hospital Morristown, N.J., after long and atrocious sufferings, born with religious resignation, our beloved Sister Adolfa Gallo passed to her eternal rest.

Her life was one of prayer and long hours of tedious and silent work. She underwent bitter moral and physical sufferings, for a long time, with unlimited patience.

She spent her Religious life in teaching and in a fruitful Apostolate in many houses of the United States of America: Newark, Staten Island, New York, Gladstone, Paapack.

She was a teacher, principal and director of Spiritual Retreats.

Sister died at the age of 65 after 48 years in Religious Life.
