

SISTER ANGELA FALCIGLIA  
(NOVEMBER 14, 1893 - DECEMBER 3, 1988)

Sr. Angela was born in Fillignano, Italy, November 24, 1893 and baptized Maria. She entered the community on September 19, 1929 in Staten Island.

As a very young girl, Sr. Angela went to work to help her family. Her dedication this responsibility especially to the care of her blind mother, caused her to enter the community in her thirties. One of her most precious gifts was her musical ability which she had used for God's glory even before entering. In community, this gift brought much joy to her sisters and to those for whom she worked.

Whether she was teaching in St. John Villa Academy, St. Lucy's or Mt. St. John, or caring for the aged, or working to keep the convent clean and cheerful in Providence Rest, White Plains, Siegel Street, Canada or Cairo, Sr. Angela brought her simplicity and joy to all of her more than fifty years of active work. As she aged and moved into retirement, she would joke about her age. That joy in God's love was a marvelous legacy she left to her sisters when she returned to her Lord on December 3, 1988.

MAY SHE REST IN PEACE!
